# *Ambition Performing Arts*

## *Dance Attire List 2017-2018*

### **Guidelines**

- Hair must be tied back in the appropriate manner for every class as outlined
- Teachers & office staff should be addressed by their respectful names at all times
- Please clean up after yourself, keep the studio a place you can be proud of
- Only water in plastic bottles will be allowed in the studios
- Parents should be prompt at dropping off and picking up their children
- Students should not disrupt their classes with consistent lateness or absences
- Absences should be called into the office as soon as possible
- Teachers are constantly monitoring each dancer's progress to ensure they are in the environment best for their learning level
- Lost and Found articles left behind will be donated to charity twice a year
- Put your name in all of your belongings, everyone has the same items as you
- Office staff should be treated with respect at all times

### **Bun Making Tips**

Use a thick hair elastic, use bun pins, these are different from bobby pins and are key. Twist the hair around the ponytail holder securing it with pins that go through the hair elastic as you go. Use a hair net to catch fly away hairs, then finish securing the bun with pins. Please ask any teacher for assistance if you need help understanding how to secure a proper bun.
