PETITE BOUTIQUE

Please contact the office for Petite Boutique Dress Code requirements

BUN-MAKING TIPS

- Use a thick hair elastic
- Use bun pins, these are different from bobby pins and are key.
- Twist the hair around the ponytail holder securing it with pins that go through the hair elastic as you go.
- Use a hair net to catch fly away hairs, then finish securing the bun with pins. Please ask any teacher for assistance if you need help understanding how to secure a proper bun.
