

# THE LEARNING LAB

Welcome to THE LEARNING LAB, where unique learning needs are celebrated! Our learning space is a safe, adult-supervised, quiet learning environment for students to do their online classes. This program is best suited for students in Grade 3 - 8.

## WE PROVIDE

Supervision, Structure, Socialization, and Strong WIFI, from 9am-3pm each day!

## YOU PROVIDE

A Learning Device, Lunch, Educational Materials, and Eager Minds!

## BUT THERE'S MORE!

### KEEPING KIDS SAFE

We are working hard to keep your child safe by offering small class sizes (max. 10), enhanced daily cleaning procedures, readily available hand sanitizer, restrictions on shared equipment, and sanitization protocols

### ENRICHMENT LEARNING

We will also provide enrichment learning that will help your child develop problem-solving skills, self-sufficiency, leadership skills, self-confidence, and organizational skills!
